

Sunday School For Children

Sundays

9:30 & 10:55am

Biblical teaching

Chapel.....Worship

Fun.....Friends.....Service

~~~

**All persons in children's ministry have background checks**

**Who:** 3years old (potty trained) through 6<sup>th</sup> grade  
**What:** Sunday School/Chapel  
**When:** Sundays  
**Time:** 9:30 am & 10:55 am  
**Where:** 9:30 Preschool children in building “B” & Kindergarten through grade 6 in Fellowship Hall  
10:55 All children in Fellowship Hall  
**Why:** To enrich children’s lives with the Gospel of Jesus Christ through interactive classroom lessons with caring, God loving adults as guides.

Preschool and kindergarten children learn through age appropriate stories and crafts. 1<sup>st</sup> through 6<sup>th</sup> graders learn through a rotational curriculum which includes: music, cooking, storytelling, crafts and science.

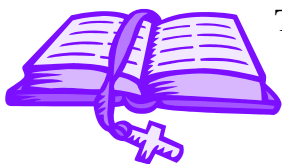

Chapel helps children of all ages begin to understand corporate worship. Your child may be called on to acolyte (lighting or extinguishing candles), read the lesson, be a greeter or an usher. All children are encouraged to sing and worship God.

Children will lead worship songs in church approximately once every 5-6 weeks. This is not a performance but rather a time to encourage kids to worship our God in a corporate setting in the “big” church.

### **Giving:**

Each year the donations from Chapel in Sunday School are used to support some sort of outreach. In the past we have participated with Heifer International as well as the local Shoebox Ministries. The children don’t just donate money but also prayers, time and sometimes goods. Our hope is that children will learn that they are not too young to show the love of Christ to others and that they can make a difference!

The greatest teacher of biblical lessons is not me, the Sunday school teacher, but mom and dad. It is not my job to take the place of mom and dad, it is my job to stand beside and reinforce the beliefs of mom and dad to their kids.

Registration forms available online at <http://www.rlc-scottsdale.org/Children'sMinistry> or on campus at the children’s welcome desk.
